### Press

"De Lorenzo has a penchant for story songs that pack a profound punch. In this regard, he is always committed and gives **thrilling interpretations** of old and new gems that speak from the soul."

– John Hoglund, *Cabaret Scenes*

"There are good shows and there are great shows, but once in a blue moon you're at a cabaret and you know **something extraordinary is going on.**"

– Beverly Creasey, *Cabaret Scenes*

"Although I saw a few good tributes to Sinatra this year, nobody brought such **fizzy joy** to the centennial occasion as De Lorenzo. A **consummate musician** who makes you feel he's having the time of his life every moment he's on stage, which only adds to your enjoyment."

– Kevin Scott Hall, *Edge Media Network*

"In this collection of cabaret and theater standards, some lesser-known gems, some comedy songs, and (my favorite part) three of my songs, elegantly accompanied by Doug Hammer, **Brian** consistently offers **beautiful, simple readings** that allow the songs to shine through."

– David Friedman, Songwriter & Author of *The Thought Exchange* and *We Can Be Kind*
